Thursday, March 25 - White, The Annunciation of the Blessed Virgin Mary, I Class

Nine months before Christmas, the Church celebrates the feast of her in whom the Word was made Flesh, in whom the Son of God united Himself forever to our humanity in order to enable us to share in His Divinity. Through the mystery of the Incarnation Mary obtained her most wondrous title of Mother of God. Through it, too, she became the Mother of Christians, for by her *fiat* she was associated with the whole redemptive work of her Son.

St. John was a great defender of the veneration of images against the Iconoclasts. A learned theologian, he carefully gathered together and transmitted to us the teaching of the Greek fathers. He is one of the most trustworthy witnesses to the Eastern tradition. He died in 749 and proclaimed a doctor of the Church by Leo XIII.
