The Epistle from the book of Acts accounts the conversion of him who, to the Church, is the very type of Apostle, whose wonderful teaching she continually puts before us. From being a bitter enemy of Christ, Saul of Tarsus, the persecutor of Christians, became on the road to Damascus Paul the Apostle, who for love of Christ, was to throw himself into the task of converting the Gentiles. Says St. Ambrose: All nations were to learn through him that Jesus is the Son of God and Savior of the world.
