Friday, August 15 - The Assumption of the Blessed Virgin Mary, I Class, White

The Church celebrates today with great joy our Lady’s immediate entry, body and soul, into the glory of heaven, giving praise to her in whom the Redemption was fully effective without restriction, since, before all the other saints, she was privileged to enjoy the resurrection of the body, following the example of the Risen Christ Himself. A great sign appeared in heaven; the Mass of this feast, introduced by Pius XII after the definition of the dogma on November 1, 1950, sees in the woman portrayed in the Apocalypse, clothed with the sun, the moon under her feet and on her head a crown of twelve stars the glorified Mother of God in the full radiance of her eternal glory.

Saturday, August 16 - St. Joachim, *Father of the Blessed Virgin Mary*, II Class, White

Desiring to associate St. Joachim with the triumph of his blessed daughter, St. Pius X transferred his feast from March 20, on which it used to be kept, to August 16, the day after the Assumption. In Hebrew the name Joachim means “preparation of the Lord.” The Gospel sets out the genealogy according to St. Matthew. The divine preparation was begun far back and runs through the history of the whole chosen people, to finds its completion in our Lady, of whom was born Jesus Christ. The feast of St. Joachim, like that of St. Anne, should help us to venerate all the righteous of the Old Testament, whose lives were passed in preparation and waiting for the coming of the Messias.
Low Mass 8:30a Priest of Mater Dei
Confessions 9:00a-11:00a
