It was customary in the Middle Ages for nobility to wear crowns of flowers as “chaplets.” These crowns were offered to persons of distinction as a sign of reverence. Our Lady has the right to the same homage, and so the Church asks us to offer her a three-fold chaplet, or three crowns of roses, to which she has given the name Rosary. This feast was established to commemorate the victory at Lepanto over the Muslims on October 7, 1571, a favor due to the recitation of the Rosary.
