For everyone's safety and well-being, parishioners are asked not to provide cash, offer transportation, or invite the person into nonpublic areas of the parish. Parking Lot Safety

The Parish parking lot is very busy, especially on Sundays. Please drive slowly and look out for pedestrians and other cars at all times. Families with small children, please be watchful of your children in the parking lot. Thankfully there have been no accidents, however there have been some close calls and we would like to keep everyone safe.

Please welcome Mr. Jacob Jurkoic, a 6th year FSSP Seminarian that will be helping at the parish for a month.

Small Children Receiving Communion

Out of reverence and safety for the Blessed Sacrament, the priests ask that if your child while kneeling at the Communion Rail is too short, ie, their chin is not over the Communion Rail, they stand on the kneeler to receive Communion. This allows the altar boy to place the Communion plate under his/her chin, ready to catch the Host if It should fall.

Media

If anyone from a media outlet approaches you at the parish, please direct them to one of the priests. It is usually not a good idea to give them any comment, as your words can easily be misused. Please remember that only the Pastor has the authority to speak for the parish and the grace of state to do so.

Venezuela Disaster Relief Collection

Bishop Burns invites all Catholics throughout the Diocese of Dallas to join him in responding to the urgent needs arising from the devastating earthquakes that recently struck Venezuela. At the direction of the United States Conference of Catholic Bishops (USCCB), funds collected will be sent to Catholic Relief Services (CRS), which is working in partnership with Caritas Venezuela and the local Church to provide aid and support to those impacted by this tragedy. **A Second Collection will be taken at Mater Dei on Sunday, July 26th.**
